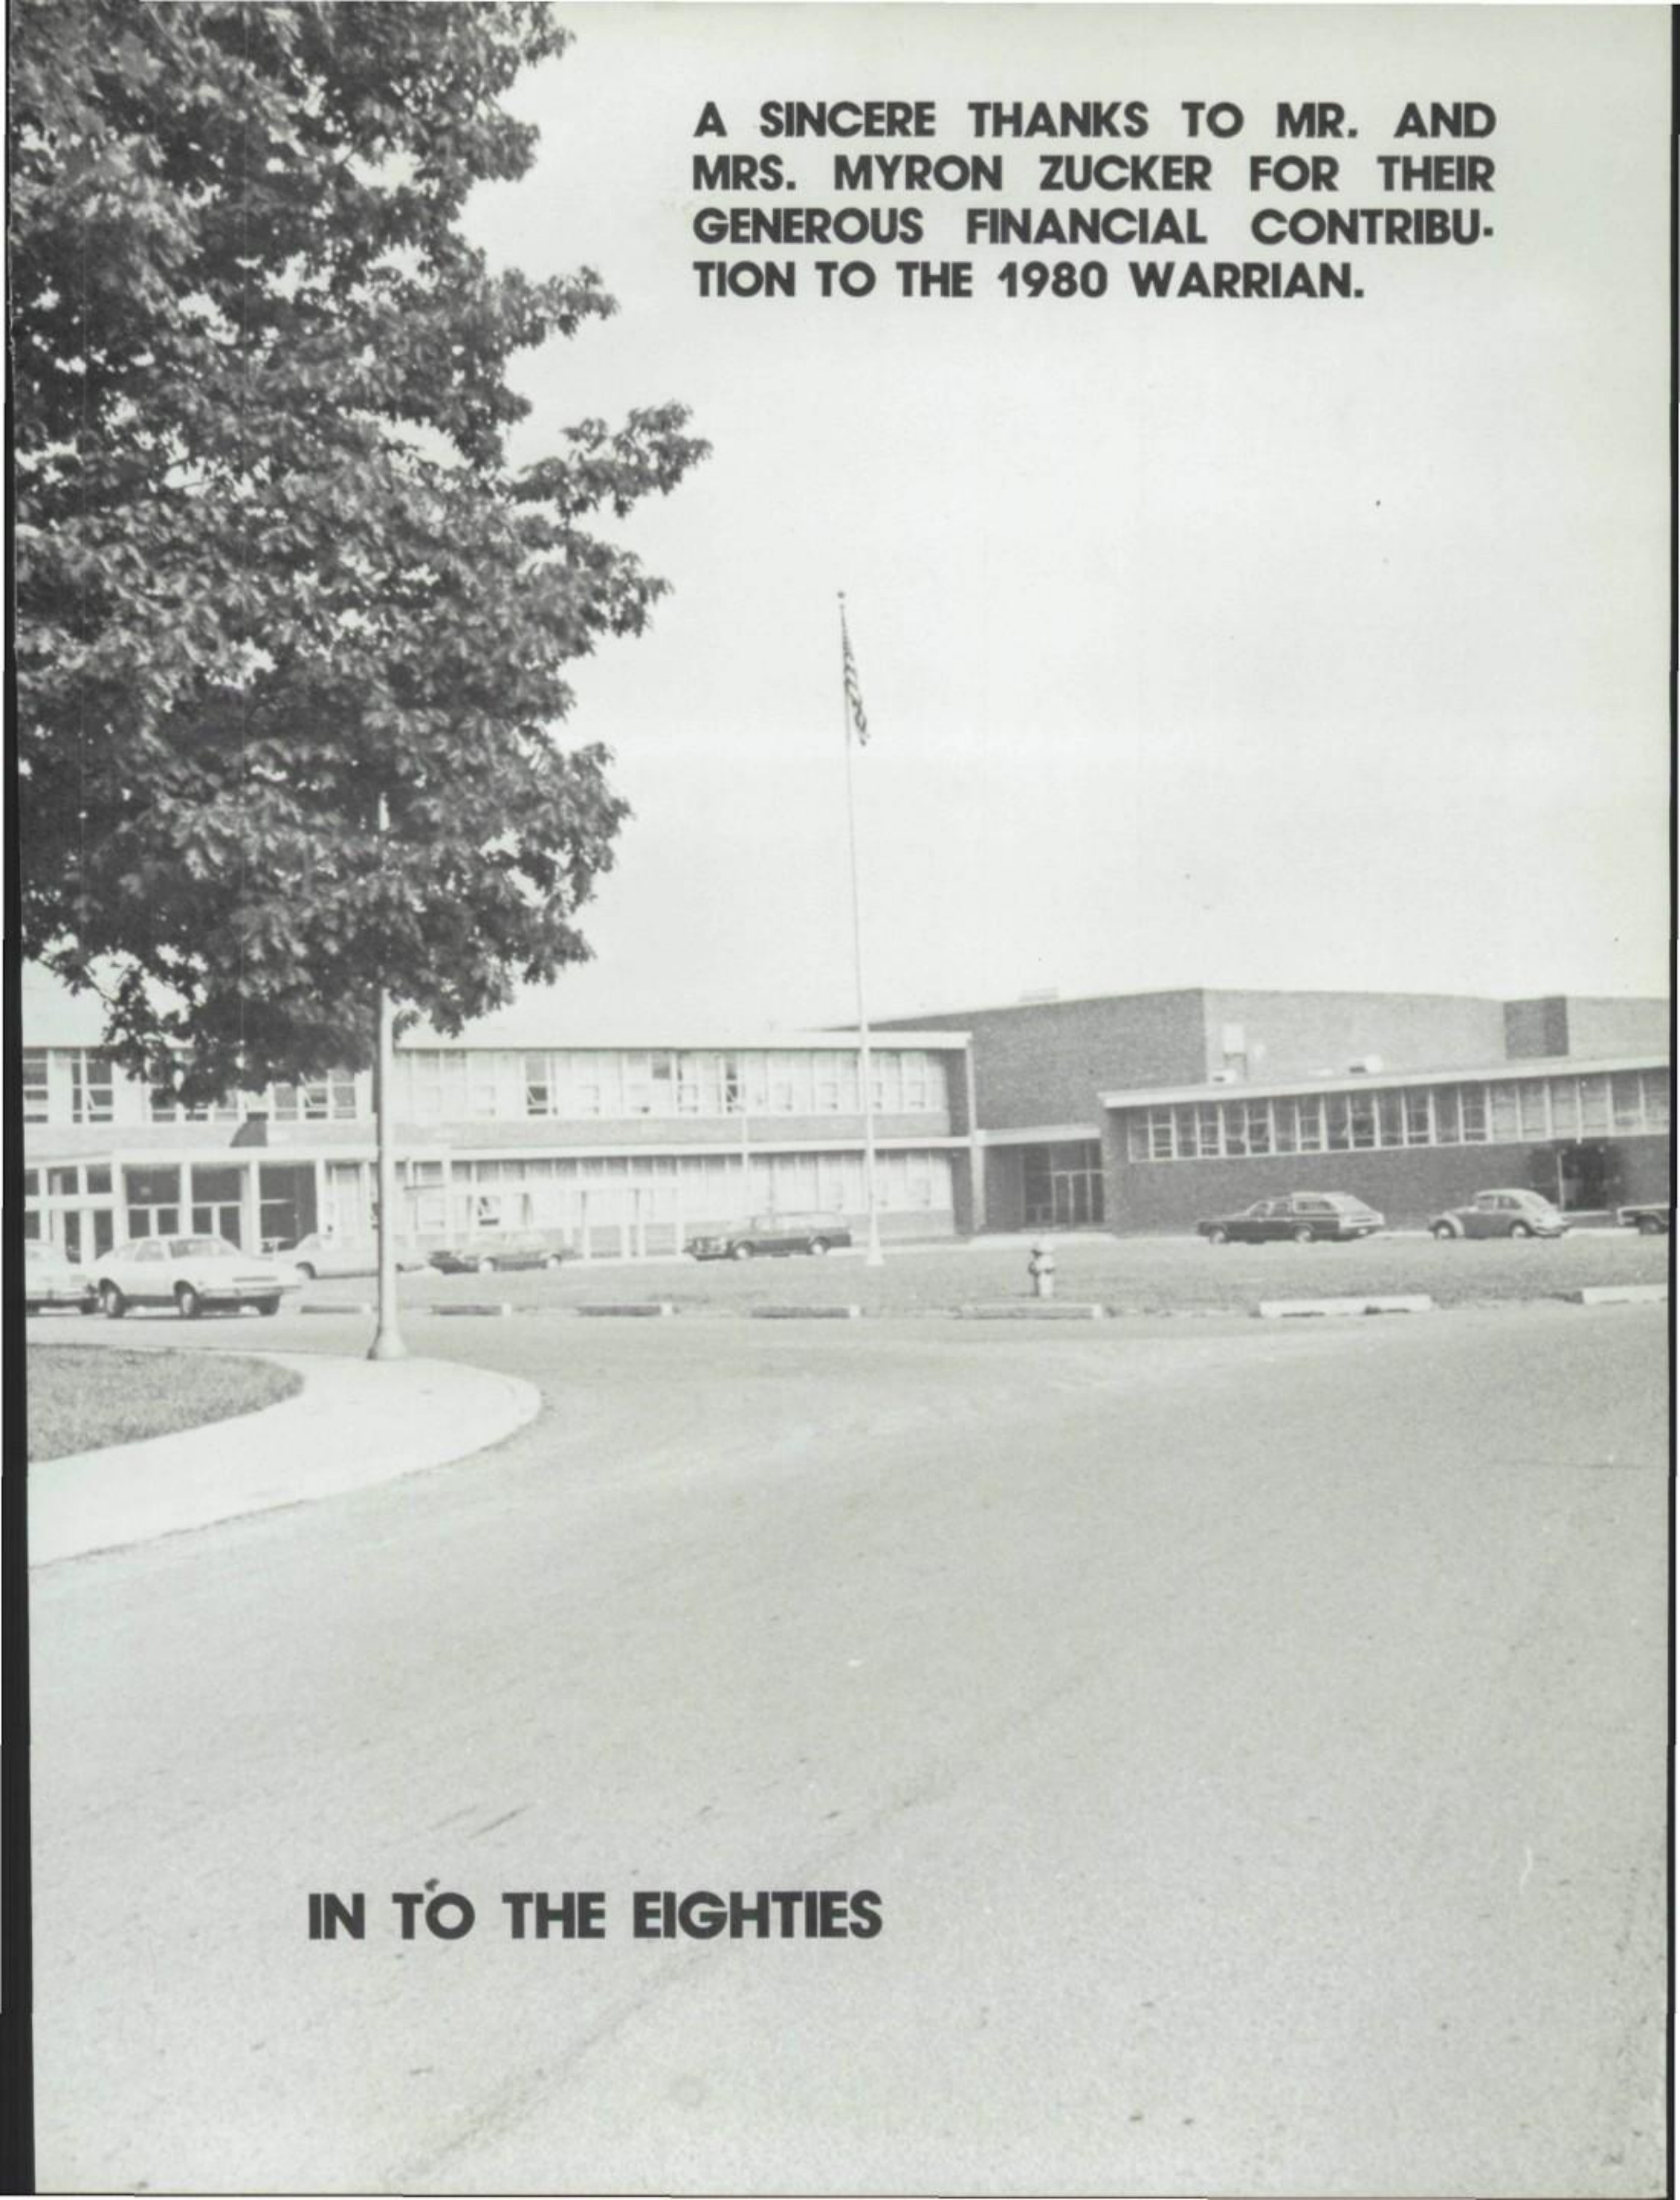
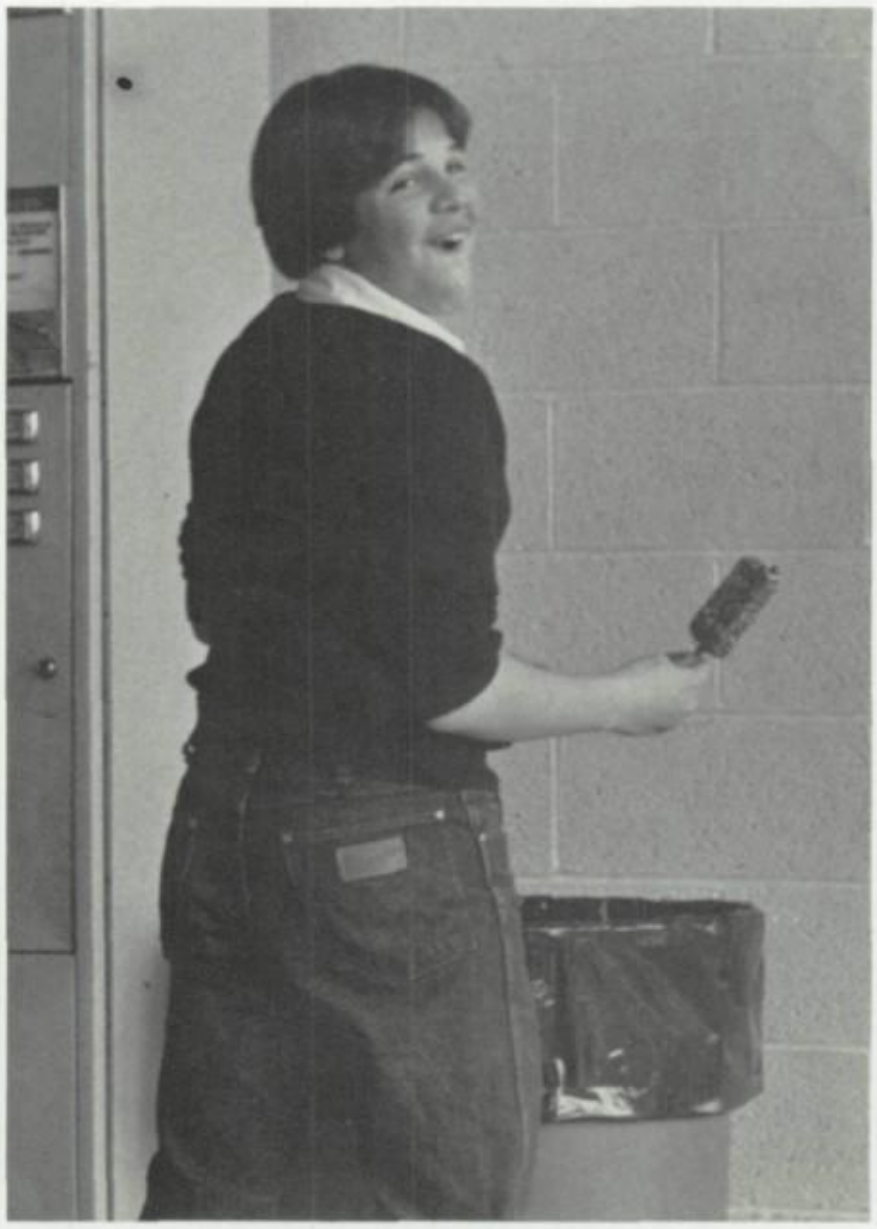
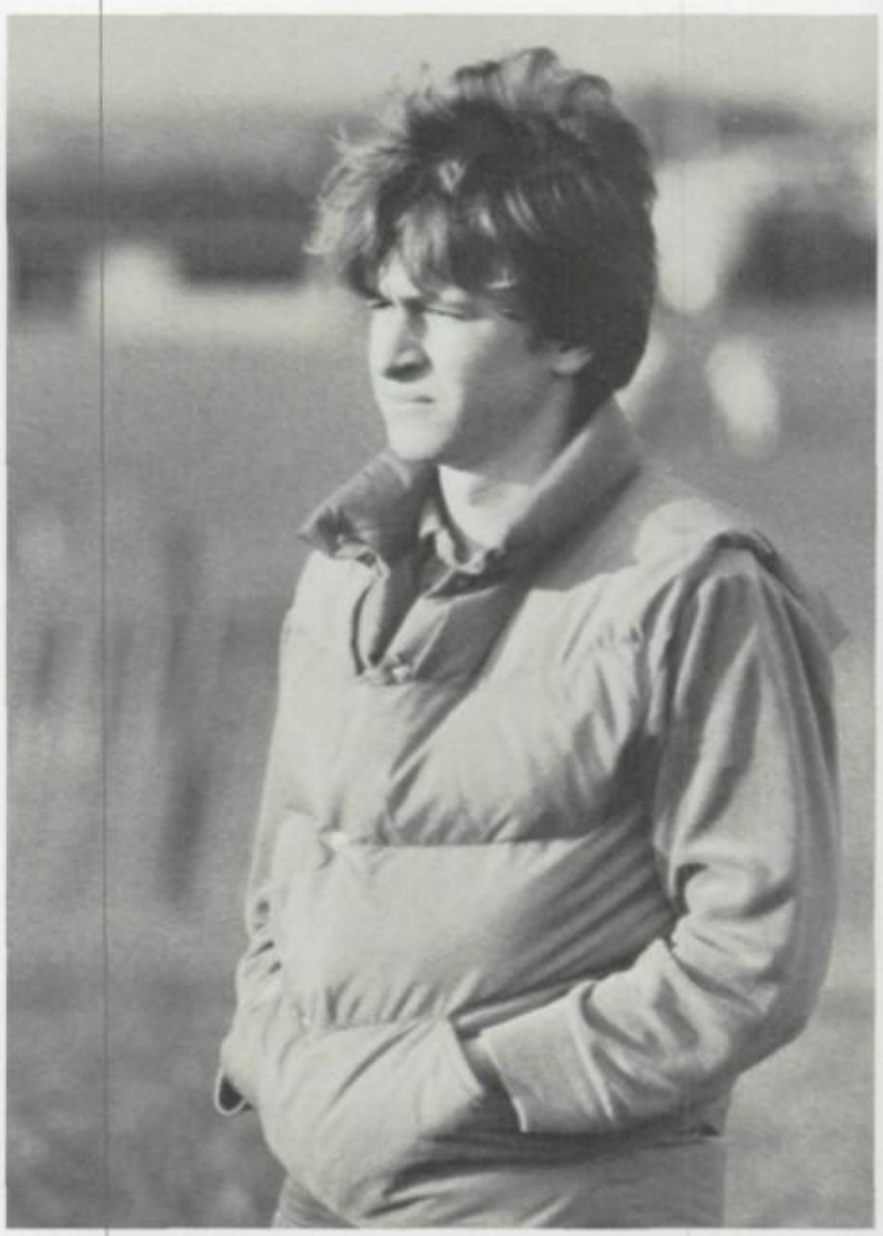
A SINCERE THANKS TO MR. AND MRS. MYRON ZUCKER FOR THEIR GENEROUS FINANCIAL CONTRIBUTION TO THE 1980 WARRIAN.



IN TO THE EIGHTIES



One man's trash is another man's treasure.



Did I tell her 2 o'clock on the playing field or 3 o'clock in the lounge?

Trigonometry plays an integral part in aerodynamics.

Mr. America???

First we get married and then we divide everything 50-50.

Did you really say what I thought I heard?

Not bad but I could do better.

If looks could kill . . .

I've created a monster ?!?

Thank yous are never free?

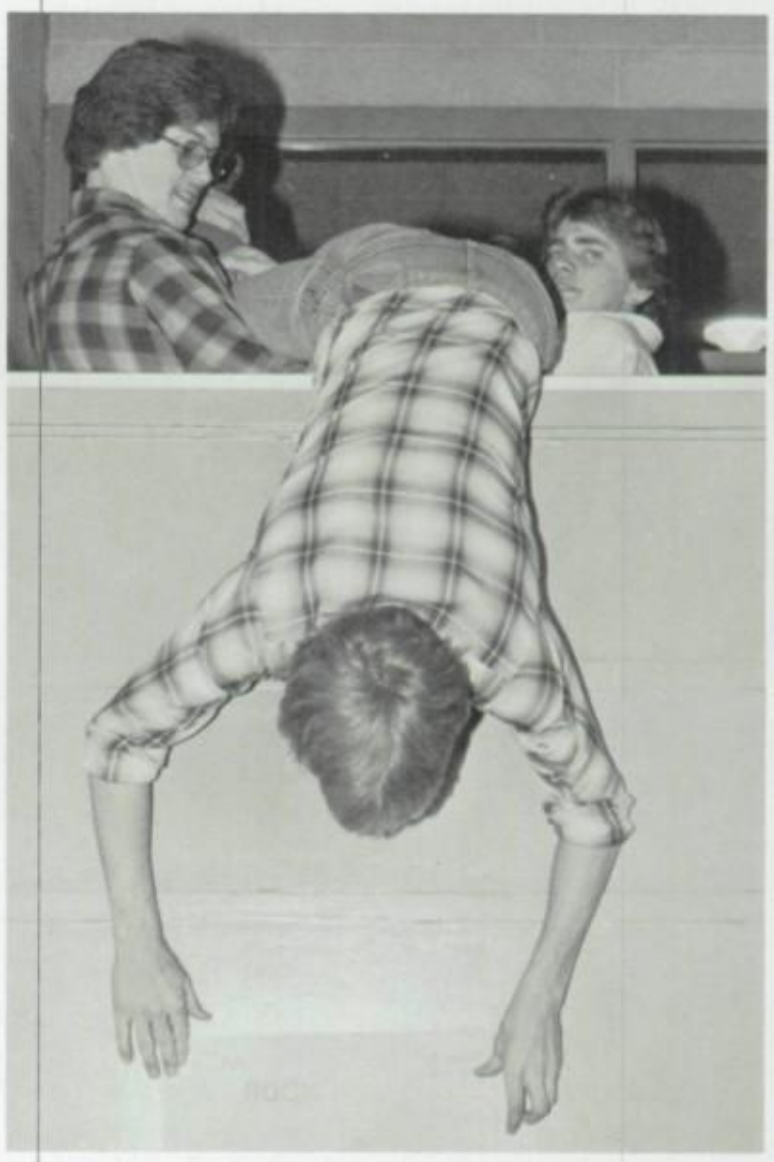
Who did the choreography on this number?

Is this any way to build a float? . . . You bet it is!

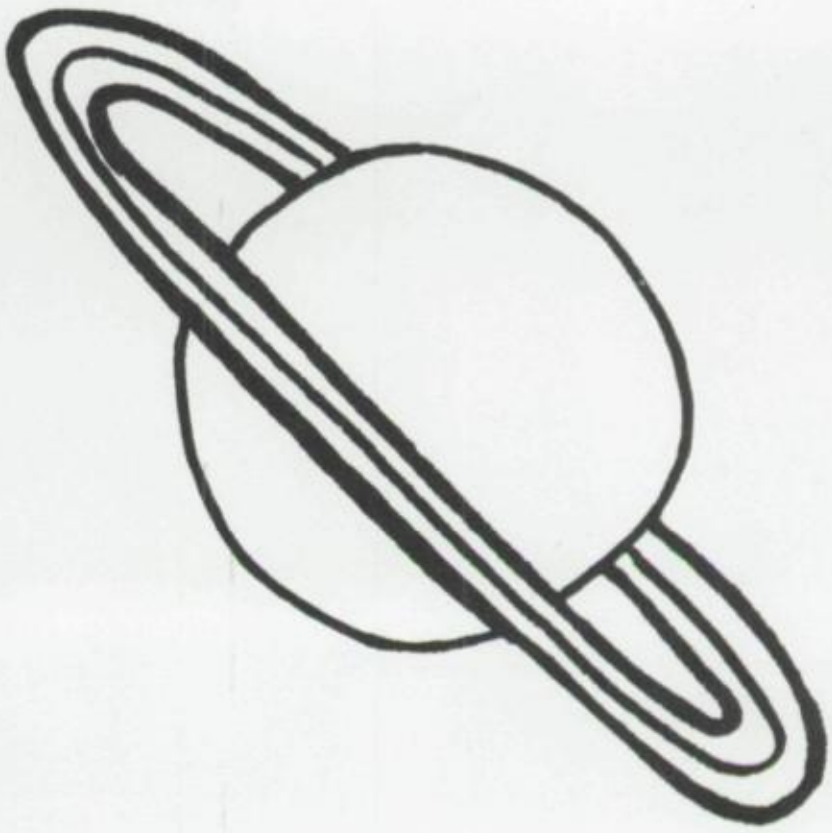
True scholarship marches on!

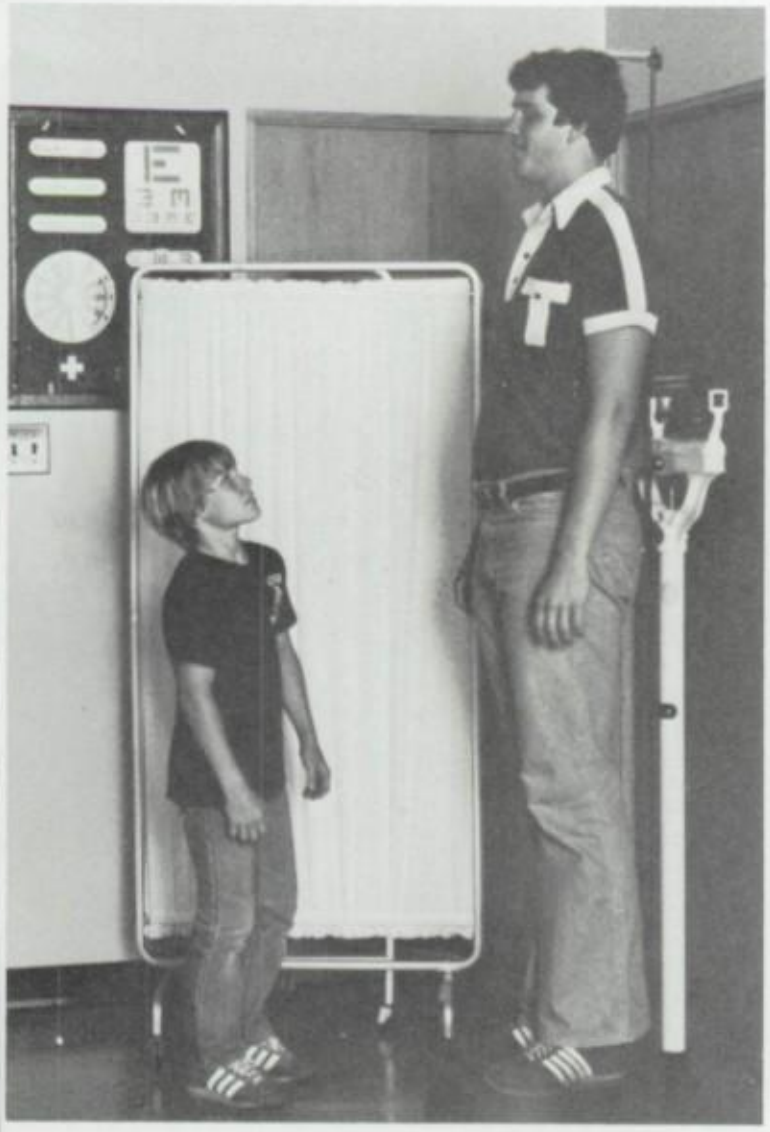
HUH?!?

A face in the crowd.



How many seniors does it take to put up a poster?





A meeting of the minds.

One word out of you and . . . **POW!**

Who says three's a crowd!

Painting is a passion with me.

Once Upon a Time . . .

Lookin' Good!

This cup must have a leak in it!

The angle of refraction is equal to the angle of incidence?

Where is Lititz?

According to my calculations . . .

Maybe it will start if we sit here awhile.

I vant all of your names immediately!!

You're Kidding!!!

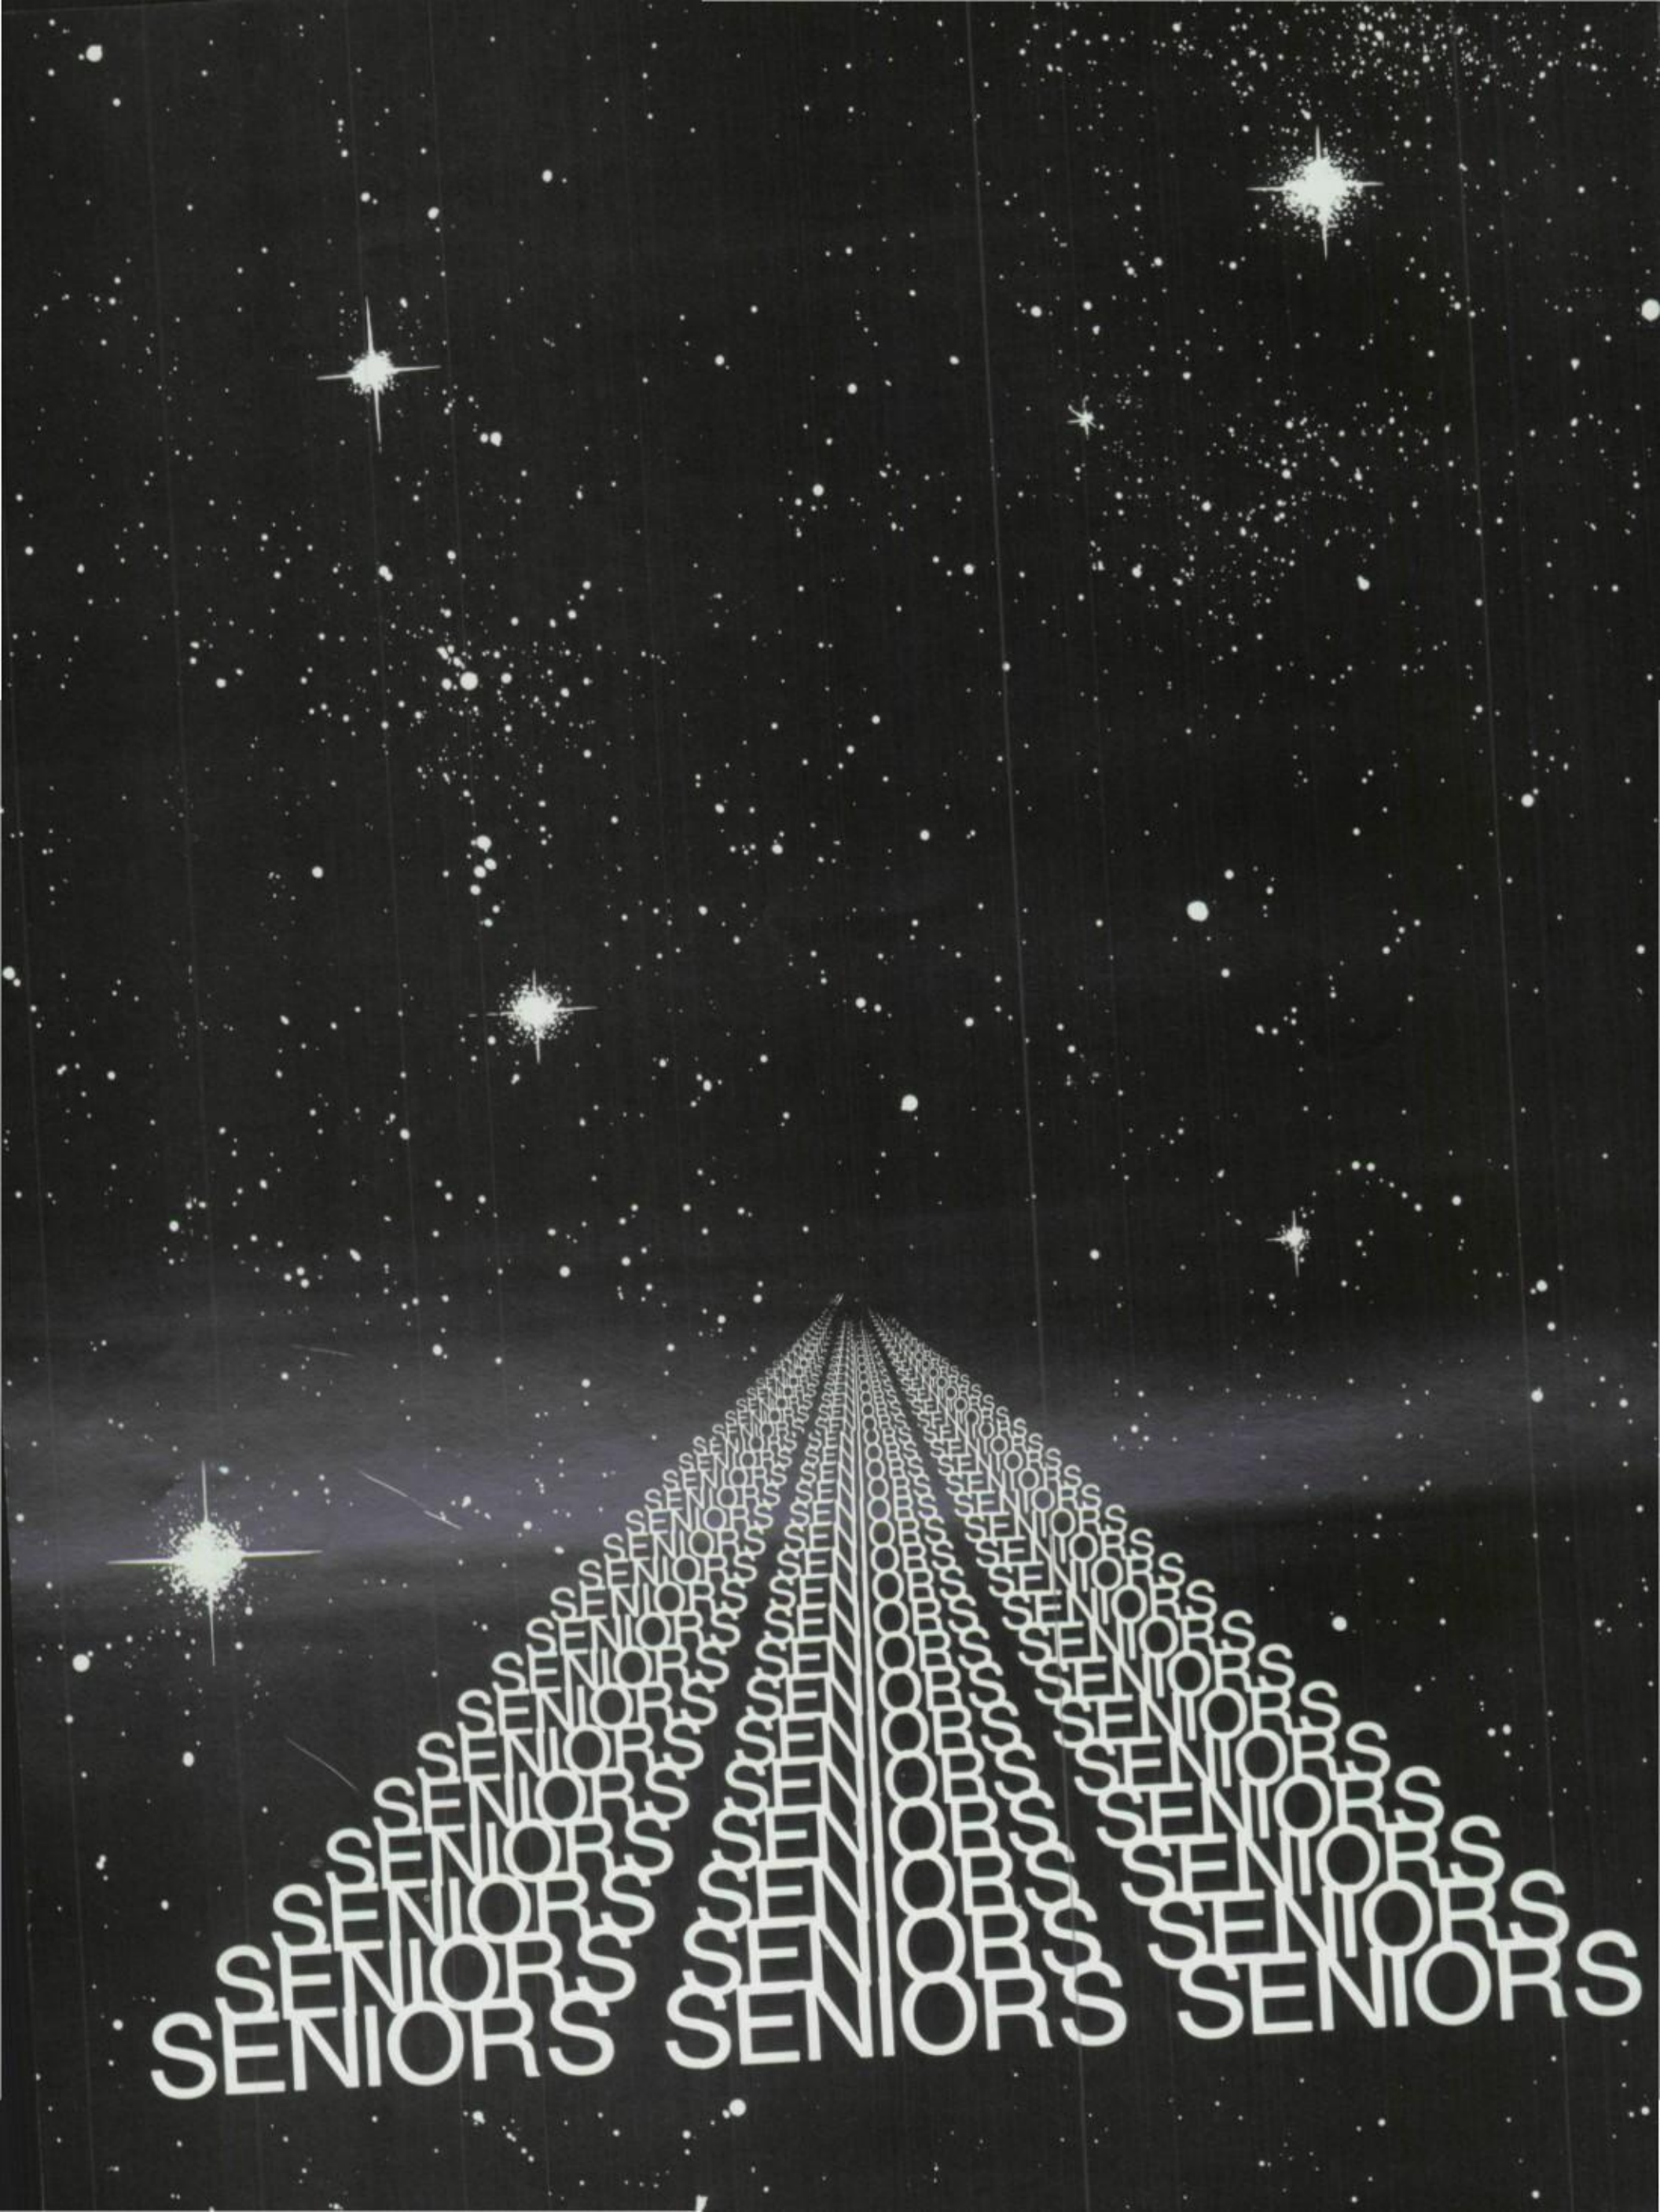
Tah Dah!!!

It seems to be spreading.

Things are looking up!

Santa and his elves.

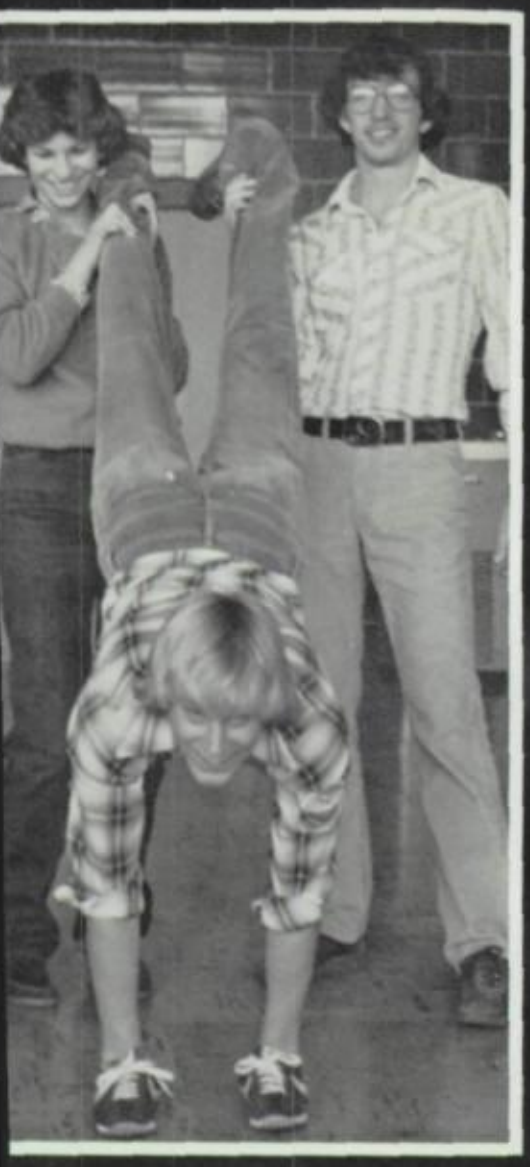
This is definitely my best side!



SENIORS

Below: Shea Gingerich, Dale Kline, Skip Garner: "I get by with a little help from my friends!"

Center Right: Jesse Garman: The lounge is where deep-thinking students go to ponder the reality of abstract mysteries in the universe.



Being normal freshmen, shy and unaggressive, our minds weren't on making money. Since we were more concerned with getting to the right classes and being accepted, we had time only for a pen sale and a couple of dances. At homecoming, we showed our inexperience through a float which the wind destroyed.

The following year, being older and wiser, we were hoping for a more profitable year. We sponsored a few dances, but at homecoming, the audience saw a re-run of our ninth-grade folly.

Humiliated by the lack of funds for the upcoming prom and floats, we, as juniors, became determined to change our past. We held two dances, and a magazine sale in addition to a candy sale which totaled $15,000.00. We created an "Evening in the Orient" for the post prom, which was a success. The highlight of our junior year was our homecoming float, "Knock 'Em on their Can-Cans," which stayed together, placing first.

With such a successful junior year, we were ready for anything. As seniors, this was it, and we wanted the best! We arranged a three days/two nights class trip to Williamsburg, Virginia. In order to accomplish the trip, we held three sub sales, a magazine sale, three dances, a mug sale, and a T-shirt sale. We also held refreshment stands and once a Body Art stand at various school activities. Our float, "Scare 'Em Sheetless," won second place. We had an active, busy year, and we were able to accomplish our goals. The memories of our four years will always remain with us as we take our separate steps into the future.

A MESSAGE OF LOVE AND THANKS

It's almost a year since I came to this great country I had often dreamed about. For me this has been a nice experience. To be one in an American family, to go to American school, to meet American people was really something. I learned that Americans are very friendly, warm people and they can be proud of this pretty country. Lots of thanks to my host family, the Kellers, who made it possible for me to stay here and thanks to all those students and teachers who made my school year in Warwick enjoyable. Love, Anne Maija Aalto 66320 Niemenkyla, Finland

The past year at Warwick was for sure a great experience for me. I think I never enjoyed a school year so much and the main reason was the nice people I met. I'm really thankful that people were always patient with me, especially in the beginning when I asked thousands of questions in my broken English. My school in Germany was very different from Warwick, and one big difference that I noticed was the feeling of strong school spirit at Warwick. The extracurricular activities, from the homecoming floats, to the sub sales, to our unforgettable musical, to our exciting class trip gave a strong sense of community and I was very happy to be a part of it. Thanks to everyone, but especially to the class of 1980. Love, Christiane Hoyer Ruhberg 5 3040 Soltan West Germany

Hello, my name is Renee Mellado. I have been an AFS student for the past year. I first got the idea to come to the U.S. after my sister studied here by the same AFS program. While being here I found a different culture and way of life, but it has been a very nice opportunity. I learned to value small things every day and also to exchange experiences with other people. Now that I see my AFS experience almost over, I feel that I'll never forget Lititz and Warwick, and that everyone from here will be welcome in my home in Peru. Love, Renee Mellado Mogrovejo #380 Urb. SENIORS HIGHLIGHT YEAR WITH WILLIAMSBURG TRIP

At 4:00 a.m., May 21, nearly 200 seniors and teacher chaperones packed the buses and headed for Williamsburg, Va. After the three hour bus ride, the seniors registered at the Sheraton Patriot and then spent the remainder of the day at historic Williamsburg. That evening, they were permitted to eat dinner at one of three colonial restaurants. The remainder of the week was spent riding rides at Busch Gardens - The Old Country, shopping, and laying out in the sun at Virginia Beach. Following dinner on Friday, everyone loaded the buses and headed for home — tired but happy.

The Junior Class started out the year on the right foot as we worked hard preparing our homecoming float. The hard work paid off, as we won first prize for our efforts. The next item on our agenda was the Kline's Candy sale. We were ready for the challenge of selling more than any Junior Class before us, as we proved by accomplishing that feat, which was very profitable as well. Our next, and last fundraiser before the prom, was a Valentine's Day dance featuring Johnny Ringo from Q106. After the dance, the prom was the foremost important item on our minds. We worked hard to give the Seniors a great prom. The theme was "An Evening in Paris," and was held at Landis Valley Resort Inn on May 30.

DANCE IS HELD FOR 1981 PROM.

We, the Class of '82, had a successful year as sophomores. Our first activity of the year was a candy sale. We sold M&M's, Milky Ways, and Snickers. On October 20th, our class participated in the Homecoming ceremonies. With "Bite the Mounts Where It Counts" as our theme, we took third place. Later, we sponsored the St. Patrick's dance featuring the first woman disc jockey ever at Warwick. The last event we sponsored was a goldfish stand at the Spring Fling Carnival. All the profits from our fund-raising were put towards the 1981 prom.

GIRLS TENNIS TEAM HAS A SUPER YEAR

This year was an excellent one for Warwick Girl's Tennis. The 8-1 league record was the best in the history of the school. The only league loss was to Cocalico and that was by the close score of 4-3. The over all record was 9 wins and 3 losses. The coach of this record breaking team was Mrs. Peg McDonald. Senior Kelly Shank, who was also the captain of the team, had an 8-1 league record at the #1 spot. Senior Carol Morgan had a 9-0 league record at the #3 spot. Returning varsity letter winners who will form the nucleus of a strong 1980 team are Stacy Oehme, Leslie Rosenberger, Dana Zimmerman, and Valerie Roberts, as well as other talented underclassman.

This year's Girls' Basketball team put together a remarkable season. With the strong leadership of experienced seniors and excellent coaching, the girls came very close to beating one of this year's powerhouses, McCaskey, two times. The team was at the top of the standings all season and should be commended for such effort. Much talent will be lost, but Coaches Wagaman and DeRemer are nevertheless hopeful for next season.

YOUNG ATHLETES SHOW STRONG PROMISE

Above — #42 attempting a jump shot.

This past fall, a new sports team was added to the schedule at Warwick. This team is known as the Jr. High Hockey team. The girls were coached by Mr. Bob Derr, finishing a tough season with a 1-4-4 record. The only goal scored in the season was made by Terri Keasey and it gave the little Warriorettes their only victory. As with beginning of any new team, there was much to be learned, but the girls did a fine job of competing with teams more experienced than their own.

The new hockey players learned quickly the art of dribbling.

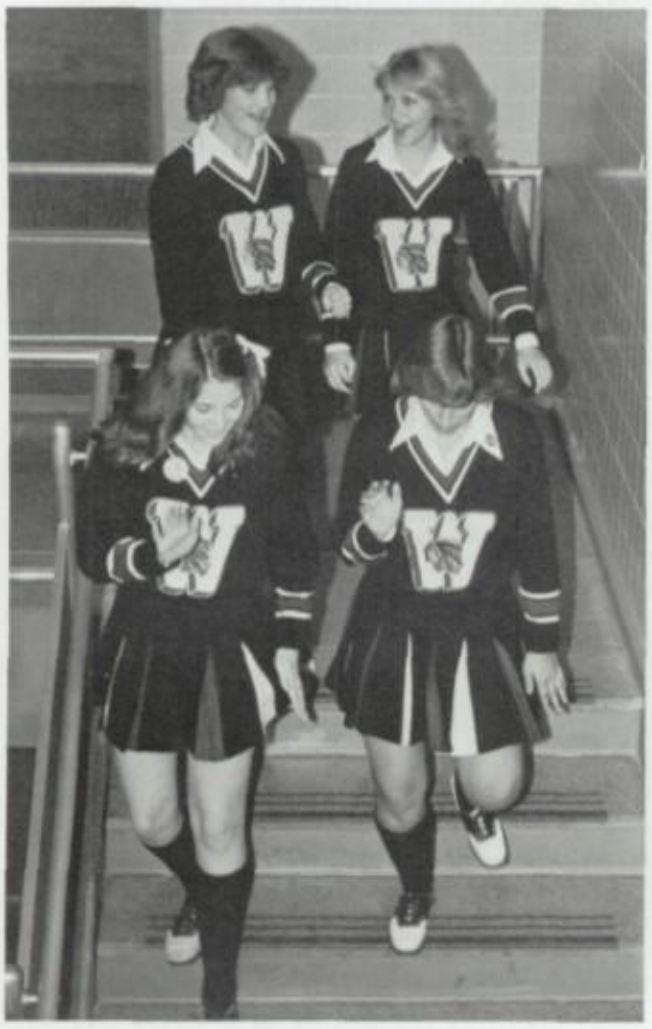
CHEERLEADERS PROMOTE SPIRIT



Holding pep rallies, organizing bake sales, painting signs, and decorating lockers, these are all things which our cheerleaders do in order to promote spirit in our school. During the summer when everyone else is at the pool or on vacation, the cheerleaders could be found serving drinks to our fearless football players. While in school, the cheerleaders decorate pillow cases, buses, and hall lockers. True, a cheerleaders *work is never done!*

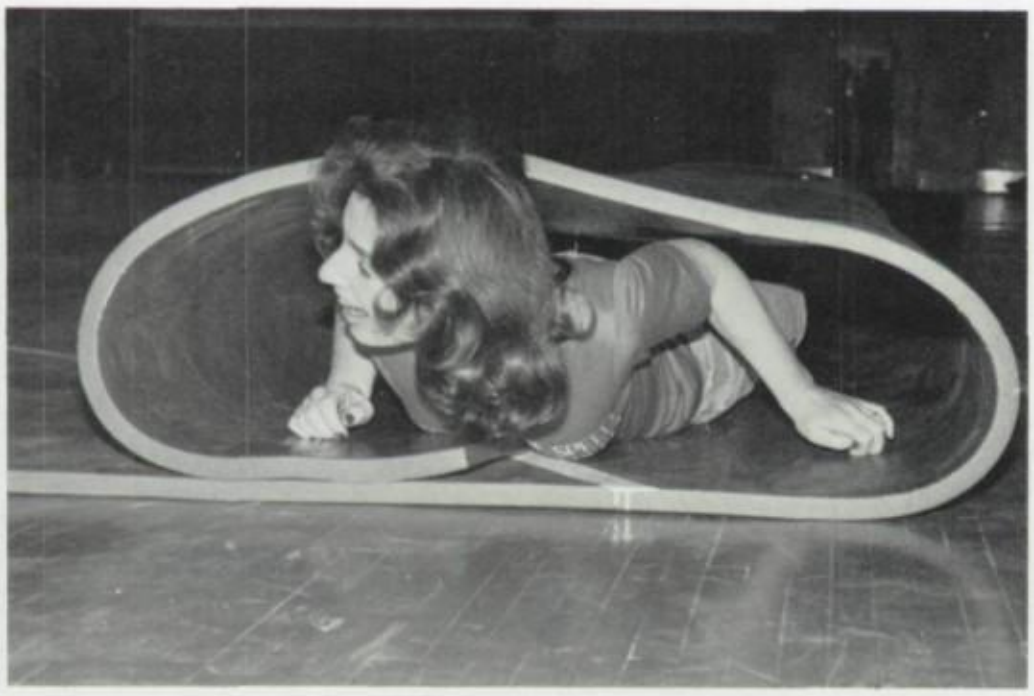
ORGANIZATIONS



This section of the **1980 Warrian** is devoted to presenting information and pictures of the organizations within the high school. Many of the activities of these organizations throughout the year are for the purpose of raising money. The pictures on this page are a sample of those taken while the organizations were involved in a fund-raising activity.

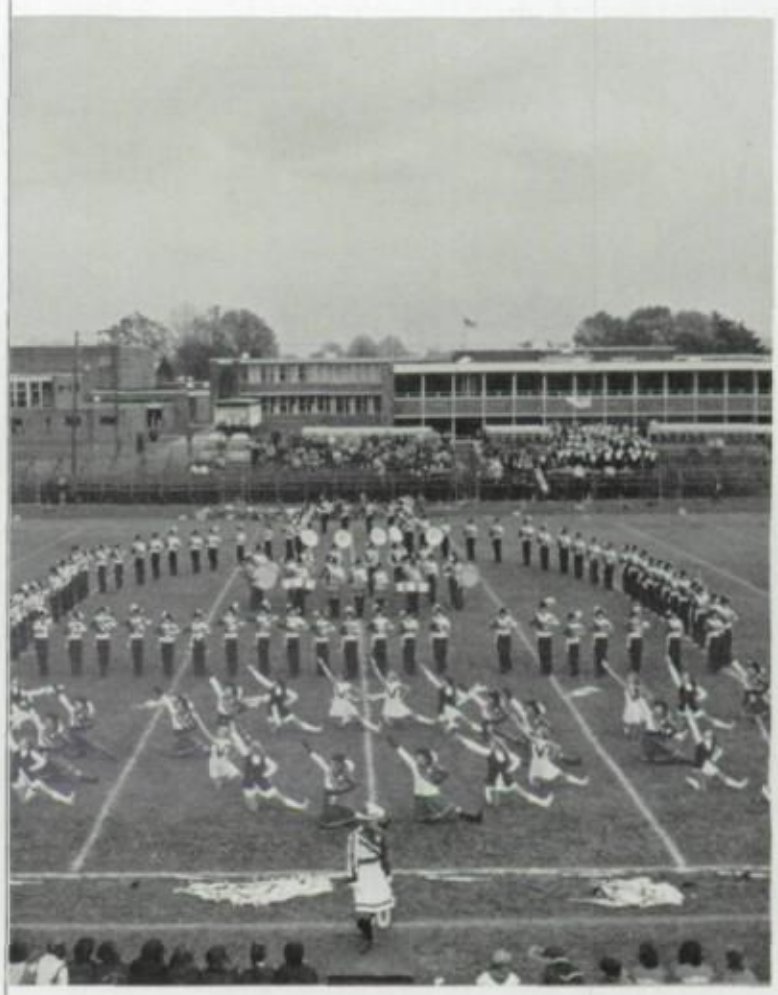
BAND EARNS NATIONAL RECOGNITION

The final design for the concert number, Malaguenia.



The 1979-80 Warwick High School Marching Band exemplified the proverb "If at first you don't succeed, try, try, again." After our win at the Ephrata "Pageantry In Motion" Show, we found that we couldn't become over- confident and that our return to the Yankee Conference of the Cavalcade of Bands would require much more hard work and sacrifice from band members and directors. At the Hanover High School Band Show, Warwick was fortunate to win by virtue of penalty points assessed against Cedar Cliff. At Wilson High School Show, Cedar Cliff returned to show us that they deserved to win at Hanover. It was very apparent that we were headed in the wrong direction and that personnel problems and show problems had to be corrected immediately. So, we returned to music from Fiddler On The Roof, using "Sunrise, Sunset" as our transition into the crowd pleasing "Bottle Dance." At the National Championahips at Veteran Stadium, we faced our number one rival, Plymouth Whitemarsh. But as had been the case in the past, our best wasn't good enough. P. W. won. However, we were getting better and the following week we met the top Yankee Bands again at the C.I.D.A. Show at Springford H. S. in what should have been billed "The Mud Bowl." P. W. again won. Next was the Cavalcade of Bands Championship at Hershey Stadium. The Band marched confidently onto the field and performed their best show ever. Although they took third place, they had the honor of winning the High Music Trophy. - Mr. Dale Weller, Band Director.

The 1979-80 Glee Club was the smallest, most select group of singers in the eleven years since Mrs. Lantz came to Warwick. The opening concert was at the Brethren Church in October; followed by the Christmas concert in December, parts of which were presented for two school assemblies and on Channel 15, Christmas Day. The Bloomsburg College Choir Festival was the all-day field trip in February; followed by a concert at the Methodist Church. In March, Warwick hosted the Thrid Annual Festival of Choruses, presented a Spring Concert, and sang for the annual community Good Friday Service. In May, the musical, the Glee Club Banquet, and performance at Baccalaureate rounded out this busy year. Twenty-one students qualified for County, eight made District, three made Regional, and for the first time, a student made State Chorus. Twelve students participated in Honors Choir Festival at Elizabethtown College.

Miss Melissa Secott once again directed the High School Orchestra through another successful year. In addition to playing at the Christmas concert and at their oWn concerts, the musicians performed for the spring musical, "Fiddler on the Roof". Once again, some orchestra members and their friends took a May trip to New York City and viewed the Broadway hit musical, "Annie." The group also visited Macy's Department Store and ate at Beefsteak Charlie's at Times Square. The orchestra ended a fine, active year by playing at the Baccalaureate services on June 1.

FUTURE CLUBS FURNISH MANY SERVICES

Future Business Leaders of America, Future Farmers of America and Future Homemakers of America are three active organizations who contribute significantly to the school. The FBLA sponsored several teas for the faculty as well as presenting teachers with carnations during American Education Week. The FHA sponsored a tea for the faculty and were involved in numerous other activities. The FFA once again sponsored a donkey basketball game. Students as well as teachers and administrators brought much laughter from the crowd as they attempted to score baskets from the backs from often reluctant donkeys.

NATIONAL HONOR SOCIETY

National Honor Society had an active and successful year under the able leadership of its four officers and advisor Mrs. Sally Watkins. This year's officers were as follows: Cindy Hess, President; Sharon Hess, Vice-President; Margie Roberts, Secretary; Karen Marks, Treasurer. The members of NHS sponsored two volleyball marathons and a flower sale in April. With the money earned from their fundraisers, they were able to make a donation to the Community Chest. The remainder of the money was put toward the annual induction ceremony. The induction ceremony took place on Monday evening, May 12, in the High School cafeteria. Proud parents and administrators watched as the new inductees repeated the NHS oath and participated in the candlelight ceremony. The new inductees were also addressed by four Senior members, Sue Ann Adams, Beth Fitts, Sharon Hess, and Karen Marks. The girls spoke on the topics of Character, Scholarship, Service, and Leadership, the areas upon which students are elected to the society. The ceremony concluded with light refreshments and a presentation to Mrs. Watkins in recognition of her fine advisorship to the club.

VOCATIONAL TRAINING

Above — Front Row: Helen Puskar, Kay Krepp, Natalie Miller, unidentified, Sylvia Pohl, Cindy Ruhl: "Permanent" pose.

Because not all students have the same future goals, the Warwick District again offered a valuable way to plan for vocations after high school. Upon departure from the high school each day after third period, sophomores, juniors and seniors attend one of the two local vo-tech schools. These schools are the Willow Street and the Brownstown Vocational Technical Schools. While at these schools for the remainder of the day, students work in the vocational area they have chosen.

The staff tried on several occasions to photograph these students, but due to various circumstances beyond our control, we were unable to do so. Please accept our sincere apologies.

Fiddler on the Roof

For weeks prior to and following the musical — performed on May 9 and 10 — Warwick students could be heard humming the word **TRADITION.** More than any other of its songs, "Tradition" captured the spirit of **Fiddler on the Roof,** for it was tradition that guided the life of the peasant Jewish family portrayed in **Fiddler.**

This family, headed by the father, Tevye (John David Wissler), and his wife, Golde (Kathy Bowden), along with their daughters, friends and foes gave their audience a realistic view of the ideas and customs of the Jewish people. Their message was communicated through such songs as "Matchmaker, Matchmaker," "Sunrise, Sunset," "If I Were a Rich Man," and "Anatevka." The effort and dedication put forth by the cast, chorus, orchestra and three directors, Mr. Dan Neidermeyer, Mrs. June Lantz and Miss Melissa Secott, cannot be measured; nevertheless, they can take pride in the overwhelming applause with which they were rewarded.

UNE NUIT A PARIS

The 1980 Jr./Sr. Prom was held at the Landis Valley Resort Inn on Friday, May 30, 1980. Students dined on an exquisite four course meal and danced to the music of Legacy from 8-11. The post prom began at the stroke of midnight. The theme of the post prom was "An Evening in Paris." Sidewalk cafes, silhouetted cities, and beautiful park gardens made the perfect setting for a romantic evening. Couples danced to the music of the "Sharks" until 5 a.m. The Toll Gate Inn was then open for breakfast.

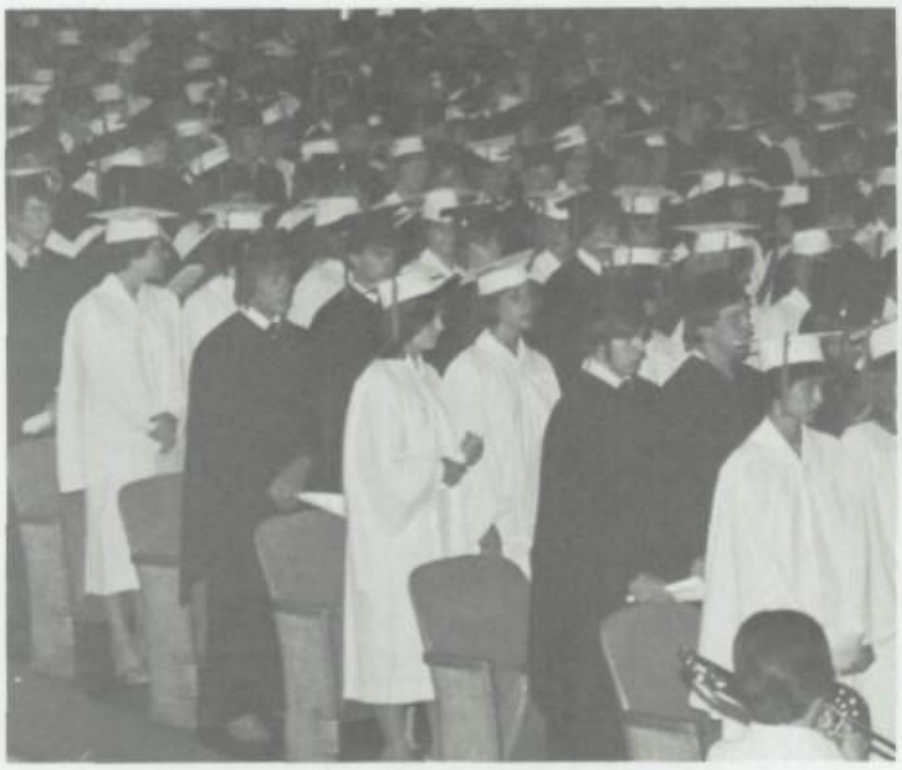
BACCALAUREATE · A SOLEMN PRELUDE TO GRADUATION



The Baccalaureate service for the 1980 graduates was held on Sunday, June 1, 1980. The seniors marched into the auditorium as the orchestra played the grand march "Trumpet Voluntary". After the invocation and scripture by Rev. David R. Heffner, the Glee Club sang several selections - "The Heavens Are telling", "I Believe", "It's Time For Movin' On", and "A Closing Prayer." Rev. Clarence D. Ulrich delivered the message entitled "Giants Lying In Wait," after which the benediction was pronounced. The graduates exited the auditorium after singing the final hymn, "Lead On, O King Eternal."

A NEW BEGINNING

Due to the inclement weather conditions, the Twenty-Fourth Annual Warwick High School Commencement Exercises were held in the gymnasium on Monday, June 2, 1980. After the seniors entered the gym to the strains of "Pomp and Circumstance", Rev. David E. Ebersole gave the invocation. The theme for orations of the Class of '80 was "Preparation for a Better Tomorrow." The student speakers included the following girls: Karen Marks (Personal Growth), Sharon Hess (Social Involvement), Margorie Roberts (Intellectual Development), and Cynthia Hess (Spiritual Maturity). Valedictorians from the Class of '80 were twin sisters Cindy and Sharon Hess. After the various awards were granted to the graduates, Dr. Bonfield addressed the students and the diplomas were distributed. Along with their diploma, each graduate was given the class flower, a white rose with maroon ribbon. Rev. Ebersole then pronounced the benediction and the sounds of "Fanfare and Recessional" filled the gym as the new graduates joyfully threw their caps into the air.
